

BINDAL TECHNOPOLYMER PVT. LTD.

Driving Integrity

In Business Dealings

At **BINDAL TECHNOPOLYMER PVT LTD**, we set high ethical standards for ourselves and our suppliers.

BINDAL TECHNOPOLYMER PVT LTD's suppliers, consultants, independent contractors, agents, or any other third party engaged to carry out any action on our behalf ("suppliers") must always act with integrity by obeying the letter and spirit of laws, regulations, standards (together, "laws") and **BINDAL TECHNOPOLYMER PVT LTD** policies that apply to them, wherever they do business. They should, in turn, also require that their own suppliers abide by the requirements of this Code.

The requirements of this Code are in addition to the requirements set out in any agreement or other set of terms and conditions that apply to your relationship with **BINDAL TECHNOPOLYMER PVT LTD**.

While the laws that apply to our suppliers are numerous and vary by jurisdiction, some important principles that must be followed include:

Antitrust and Competition Laws

We compete vigorously while respecting free and fair competition. We expect the same of our suppliers.

BINDAL TECHNOPOLYMER PVT. LTD.

Suppliers must comply with all applicable antitrust and competition laws and cannot engage in any act that improperly reduces competition. Examples of such prohibited acts include agreeing with competitors to fix prices, set discounts or terms of sale, limit production, divide markets, allocate customers, coordinate bidding activities, boycott customers and suppliers, fix employee compensation, or refrain from hiring each other's employees. In some jurisdictions, the mere exchange of sensitive commercial information is illegal.

BINDAL TECHNOPOLYMER PVT LTD's suppliers must always act with integrity by obeying the letter and spirit of laws and BINDAL TECHNOPOLYMER PVT LTD policies that apply to them, wherever they do business.

To report suspected violations of BINDAL TECHNOPOLYMER PVT LTD's Supplier Code of Conduct and Ethics, visit

Anti-Corruption and Anti-Bribery Laws

Our suppliers must follow all applicable laws that prohibit the giving of anything of value to any person or entity to obtain an improper business advantage, as well as laws that require keeping accurate books and records.

Suppliers must follow anti-corruption and anti-bribery laws in all cases, and must be particularly cautious when interacting with government officials.

Regardless of the specific laws or established business practices of any particular jurisdiction in which we or our suppliers operate, BINDAL TECHNOPOLYMER PVT LTD prohibits the making of facilitation payments or grease payments (i.e. payments involving small sums to low-level government officials to obtain routine services to which a person or company would otherwise be legally entitled. An example would be a payment to expedite a telephone or utilities connection).

BINDAL TECHNOPOLYMER PVT. LTD.

Gifts and Entertainment

Any gift or entertainment offered to a BINDAL TECHNOPOLYMER PVT LTD employee to induce or unduly influence a business decision (e.g. awarding business to the supplier, offering favourable terms) is strictly prohibited. If you wish to provide a

BINDAL TECHNOPOLYMER PVT. LTD.

BINDAL TECHNOPOLYMER PVT LTD employee with a gift or entertainment, it must be reasonable, given only occasionally, and of modest value.

In turn, we prohibit BINDAL TECHNOPOLYMER PVT LTD employees from soliciting gifts and entertainment from suppliers. If you are solicited by a BINDAL TECHNOPOLYMER PVT LTD employee for a gift or entertainment, you should report it promptly (see “Reporting Concerns”, below).

Sanctions and Export Control Laws

We expect our suppliers to comply with all applicable export control laws, as well as laws that prohibit or restrict business relationships with sanctioned countries, entities, persons, or industry sectors.

Sourcing Materials from Areas of Conflict

As a public company whose shares are listed on a United States stock exchange, we are required by U.S. law to track and disclose our use of minerals such as gold, tin, tungsten, tantalum, or other extended minerals defined by the Responsible Minerals Initiative, originating in a number of designated countries.

When requested, our suppliers are required to provide data and reports using a defined reporting tool and structure, in the form we request, regarding their use of such minerals in their products. Furthermore, suppliers may be required to request similar information of their suppliers to establish the origin of such minerals, and to provide their findings to us.

Driving Integrity **Know it. Speak it. Live it.**

- Suppliers should know the laws that apply to them and follow the letter and spirit of such laws
- Suppliers must not collude with competitors to limit competition
- Suppliers are strictly prohibited from offering bribes to government officials
- Suppliers must not violate sanctions and export control laws
- Suppliers must cooperate with BINDAL TECHNOPOLYMER PVT LTD in identifying the source of certain minerals used

Driving Integrity

Within The Workplace

Fairness, inclusivity, safety and sustainability are values we hold dear at BINDAL TECHNOPOLYMER PVT LTD and which we strive to achieve in our operations. We expect the same of our suppliers.

Respect for Ethical Labour Standards and Human Rights

BINDAL TECHNOPOLYMER PVT LTD is committed to complying with all applicable labour, employment, and human rights laws, and we demand the same commitment from our suppliers.

BINDAL TECHNOPOLYMER PVT LTD is committed to the ethical treatment of all workers, and we adhere to labour and employment standards that are consistent with the Fundamental Conventions of the International Labour Organization (ILO) and the United Nations (UN) Universal Declaration of Human Rights. We require all suppliers to have comparable standards in place that recognize the inherent dignity and respect for all workers.

Commitment to Fair Working Conditions

Our suppliers must follow applicable laws on employment standards, including (without limitation) minimum wages, benefits, overtime, working hours, break times and time-off, vacation time, and legally required leaves of absence. Suppliers are required to provide safe and humane working conditions that provide workers with appropriate work-life balance.

Prohibition on Use of Forced and Child Labour

Our suppliers are never permitted to use forced or compulsory labour. All employment must be voluntary and freely chosen, without resort to forms of modern slavery, restrictions on movement or personal liberty, or forms of debt bondage. Suppliers are also prohibited from using underage labour, as defined by

BINDAL TECHNOPOLYMER PVT. LTD.

applicable laws and ILO guidelines, except where young workers are employed as part of a government-approved and consensual training or apprenticeship program that clearly benefits the educational development of participants.

Freedom of Association

Suppliers should also respect employee freedom of association and/or the right not to associate, recognizing that all workers have a right to exercise personal choice with respect to the issue of association and assembly, including whether they wish to affiliate with unions or works councils, consistent with local laws.

Harassment and Discrimination

BINDAL TECHNOPOLYMER PVT LTD's policies are consistent with the requirements of applicable human rights laws. We expect suppliers to prohibit all forms of harassment and discrimination contrary to legally protected personal characteristics, and to develop robust training, complaint and investigative procedures to proactively address and remedy these issues.

Fair and Non-Discriminatory Compensation

Similarly, we expect suppliers to providing employees with a reasonable standard of living that meets or exceeds applicable minimum wage laws, capable of fulfilling basic life needs, while using fair compensation practices that ensure non-discriminatory treatment of all employees. Compensation programs should be based upon objective and competitive criteria, without regard to personal characteristics protected by law.

Responsible Use of Security Forces

BINDAL TECHNOPOLYMER PVT LTD utilizes security-related services for the purposes of protecting its people and property. We recognize and adhere to applicable ILO standards and global supply chain laws in the responsible use of security related personnel in a manner that respects, promotes and protects the safety and personal rights of workers. We require our suppliers to establish comparable protocols to protect the inherent rights of workers within the supply chain.

BINDAL TECHNOPOLYMER PVT LTD is committed to complying with all applicable human rights laws, and we demand the same commitment from our suppliers. To report suspected violations of BINDAL TECHNOPOLYMER PVT LTD's Supplier Code of Conduct and Ethics

Diversity and Inclusion

With facilities and operations worldwide, BINDAL TECHNOPOLYMER PVT LTD engages with a wide variety of people and cultures, and we recognize that as a competitive advantage for our business. That is why we expect our suppliers to prohibit workplace harassment and discrimination based on age, sex, race, ethnicity,

BINDAL TECHNOPOLYMER PVT. LTD.

colour, physical features, nationality or national origin, language difference, religion, sexual orientation or gender identity, family or marital status, physical, mental, or developmental ability, socioeconomic status, or any other personal characteristic protected by law.

We believe greater supplier diversity helps promote a wider range of perspectives, driving more solutions and greater success for our entire organization. BINDAL TECHNOPOLYMER PVT LTD encourages all suppliers to join in advancing diversity and inclusion. In support of this effort, suppliers will be required to share requested information relevant to their diversity and inclusion programs, initiatives, and achievements. Collection of such information will be done directly by BINDAL TECHNOPOLYMER PVT LTD or by a third party acting on our behalf. Suppliers are also required to respond to any survey or audit on this topic.

Driving Integrity Know it. Speak it. Live it.

- Suppliers must respect the rights of their employees. In particular, they must avoid the use of forced and child labour
- Suppliers are expected to prohibit workplace harassment as well as improper discrimination
- Suppliers must maintain a safe and healthy workplace for their employees

BINDAL TECHNOPOLYMER PVT. LTD.

- We expect suppliers to follow environmental laws and to regularly monitor their environmental impact

Health and Safety

Our suppliers are required to comply with all applicable health and safety laws. This includes the duty to maintain a safe and healthy workplace with access to personal protective equipment for employees and to have a procedure for dealing with injuries that require medical treatment. BINDAL TECHNOPOLYMER PVT LTD encourages suppliers to achieve certification to ISO 45001 occupational health & safety standards, or any successor standard.

Environmental Responsibility

We are committed to environmental responsibility. We expect our suppliers to meet or exceed applicable environmental laws and regulations, and to be committed to minimizing the impact of their operations on the environment.

Suppliers should regularly evaluate and monitor the environmental impact of their business activities, manage and reduce the use of resources (including energy and water), minimize waste and emissions, recycle materials at every stage of the product life cycle, and reduce environmental impact through design and innovation.

We encourage certification to the ISO 14001 environmental standard and the ISO 50001 energy management standard (or any successor standards). Substances that are expected to be present in materials from our suppliers are required to be compliant with all chemical requirements i.e., REACH (Registration, Evaluation,

BINDAL TECHNOPOLYMER PVT. LTD.

Authorization and Restriction of Chemicals) and TSCA (Toxic Substances Control Act).

Sustainability & Decarbonization

BINDAL TECHNOPOLYMER PVT LTD seeks to ensure a sustainable future by aspiring to develop a low carbon supply chain, and increasing transparency and social responsibility in our supply chain. BINDAL TECHNOPOLYMER PVT LTD's suppliers are expected to participate in this endeavor and aid in improving visibility and due diligence throughout all levels of the supply chain.

This participation is to be aligned with BINDAL TECHNOPOLYMER PVT LTD's priorities and activities in areas including, but not limited to: decarbonization and energy conservation, waste minimization, minimizing water consumption and water quality degradation, land protection and forest preservation, species management and biodiversity, respect for indigenous rights, and prohibition of forced seizure of/unlawful eviction from land.

BINDAL TECHNOPOLYMER PVT LTD encourages all suppliers to participate in reducing their carbon footprint. To support this initiative, suppliers will be required to share requested data relevant to their carbon emissions as well as those of their supply chain. This data will be collected directly by BINDAL TECHNOPOLYMER PVT LTD or by a third party acting on our behalf. Suppliers must also respond to any survey or audit on this topic.

Suppliers are also expected to establish a glide path for decarbonization and share their goals and overall strategy with BINDAL TECHNOPOLYMER PVT LTD. These

BINDAL TECHNOPOLYMER PVT. LTD.

programs and roadmaps ensure we are collectively progressing towards our goals, reducing associated risks, and meeting stakeholder requirements.

Driving Integrity Through Our Actions

Our employees are required to demonstrate their integrity each day through their actions. They are also required to speak up if they become aware of a situation in which someone may have failed to live up to our ethical standards. Our suppliers are required to do the same if they learn of a violation of this Code.

Conflicts of Interest

To ensure that relationships with our business partners are based on integrity and sound business judgment, we require our employees to promptly disclose conflicts of interest. Similarly, we expect any supplier to inform us promptly if it has a family or other close personal relationship with the BINDAL TECHNOPOLYMER PVT LTD employee making or influencing a business decision that may benefit the supplier.

Protection of Information and Intellectual Property

As a supplier, BINDAL TECHNOPOLYMER PVT LTD or its business partners (including BINDAL TECHNOPOLYMER PVT LTD's customers) may provide or give you access to intellectual property, confidential, or personal information ("Information").

Suppliers must keep confidential and not disclose to any person (including other BINDAL TECHNOPOLYMER PVT LTD personnel), company or organization Information belonging to BINDAL TECHNOPOLYMER PVT LTD or BINDAL

BINDAL TECHNOPOLYMER PVT. LTD.

BINDAL TECHNOPOLYMER PVT. LTD.

intellectual property rights have been violated - you must notify your primary BINDAL TECHNOPOLYMER PVT LTD point of contact immediately.

Driving Integrity

Good Communications

As a supplier to BINDAL TECHNOPOLYMER PVT LTD, we ask that you uphold the values of honesty and integrity embedded in this Code. In particular, we note that violating certain elements of this Code is a violation of the law in the jurisdictions in which we operate. BINDAL TECHNOPOLYMER PVT LTD does not tolerate any violations of the law by its suppliers.

Reporting Concerns and Non-Retaliation

We require you to take steps and ensure your employees understand this Code and comply with its requirements. We expect our suppliers, and their employees, to speak up promptly in the event that they learn of a violation of the law or this Code (while working for BINDAL TECHNOPOLYMER PVT LTD), either by the supplier itself or by BINDAL TECHNOPOLYMER PVT LTD employees.

You can always make the report to the BINDAL TECHNOPOLYMER PVT LTD employee who is your primary contact, a member of [BINDAL TECHNOPOLYMER PVT LTD's Compliance team](#), or by using BINDAL TECHNOPOLYMER PVT LTD's reporting line. Reports to the Hotline can be made anonymously (where legally permitted).

Depending on the circumstances, BINDAL TECHNOPOLYMER PVT LTD may take a range of actions to remediate a failure by a supplier to comply with this Code, for

BINDAL TECHNOPOLYMER PVT. LTD.

example by suspending business with the supplier until corrective measures have been implemented or by terminating the relationship with the supplier.

Requests from Supplier Risk Management

From time to time, you may be asked (by way of survey, audit or review) for information about your business operations (e.g. information about company management, supply chain, working conditions and human rights, responsible sourcing of raw materials, financial results, cybersecurity, etc.) from BINDAL TECHNOPOLYMER PVT LTD's Supplier Risk Management team (or a third party acting on their behalf). We require you to respond promptly and fully to such requests. Your responses may result in the need for you to implement a corrective action plan to be completed within a reasonable time period set by BINDAL TECHNOPOLYMER PVT LTD.

BINDAL TECHNOPOLYMER PVT. LTD.

Conflict with Other Requirements

In the event that any requirement in this document conflicts with the requirements of the BINDAL TECHNOPOLYMER PVT LTD Global Supply Chain Requirements or any other requirements of BINDAL TECHNOPOLYMER PVT LTD suppliers (e.g. under any agreement in place between you and BINDAL TECHNOPOLYMER PVT LTD), the requirements of this document shall prevail.

Driving Integrity

Know it. Speak it. Live it.

- Employees of suppliers must be familiar with this Code and comply with its terms.
- Suppliers must speak up if they learn of a violation of this Code or the law.
- Suppliers are prohibited from retaliating against any employee who raises a good-faith compliance concern.
